SENATOR CHAMBERS: Mr. President and members of the Legislature. Anticipating the action that the Governor would take based on this being an election year, based on his having in Omaha joking before the television cameras, and laughing about what he was going to do with this bill. I wrote a statement and sent it around to you, and it is on your desk now. The statement was on your desk prior to my receiving a copy of the official declaration by the Governor that he would veto this bill. My statement did not call him an untruthful individual, but it did indicate that he is trespassing on an area which is in the exclusive jurisdiction of the Legislature. The statement tells you and tells him that this bill is in the nature of an election bill. I'm not aware of any election measures that he has vetoed
